Education

National Taiwan University, Taiwan September 2025 – Present (Expected June 2028)

Department of Atmospheric Sciences, College of Science

- Overall GPA: 3.57/4.30

National Central University, Taiwan

September 2024 – August 2025

Department of Atmospheric Sciences, College of Earth Sciences

- Overall GPA: 3.75/4.30 (Rank2, PR94)

Working & Intern Experience

Summer Intern, KSL Lab

June 2026 – August 2026

Institute of Biomedical Sciences, Academia Sinica, Taiwan

- Dry-lab position focusing on spike data inference using ML/DL, and mathematical methods.

Adjunct Assistant, IMAQS Laboratory

July 2025 – February 2026

Department of Atmospheric Sciences, National Central University, Taiwan

- Build machine learning architecture - Temporal Fusion Transformer using Python on Linux workstations to evaluate model performance in Air Quality Forecast System. Processed massive meteorological datasets and optimized model hyperparameters.

Study Group: NTU Fintech Club x WorldQuant

May 2026 – June 2026

- Studied academic papers to develop profit-oriented stock CTA quantitative strategies.

Study Group: NTU Fintech Club x Kronos Research September 2025 – January 2026

- Wrangled raw orderbook and tick data to mine market microstructures. Built volatility forecasting model using Markov chain Monte Carlo. Gained hands-on experience in High Frequency Trading strategy formulation from concept to validation.

Academic Achievements

University Entrance Examination Performance:

- 2023 NCU Department of Atmospheric Sciences: Special Talent Admission Program **Rank1**
- 2025 NTU Department of Atmospheric Sciences: Transfer Exam **Rank1**

Competition Results:

- 2026 IMC Prosperity 4: **Total World Rank 31, Algorithmic World Rank 16**
- 2023 International Virtual Science Symposium: **3 Stars Badge, Data Scientist Badge, Impact Badge**
- 2023 Mathematics, Science, and Informatics Academic Ability Competition for Senior High Schools (Preliminary Round), Earth Science Division: **Honourable Mention**

English & Programming

- IELTS Academic: 7.0/9.0 (C1 Level)
- **Python (Proficient)**
- Fortran (Intermediate)
